

## ***“Health and Nutrition from the Garden” and the Kansas Education Standards***

The Kansas Education Standards have been aligned with the lessons from the Junior Master Gardener book, “Health and Nutrition from the Garden”. Prepared Spring 2007.

Note: The lesson “The Pyramid” has been replaced with the lesson “MyPyramid”. “MyPyramid” is available as a free download on the national JMG website, [www.jmgkids.us](http://www.jmgkids.us) under the heading “Health and Nutrition from the Garden”.
